

To Those About to Rock, We Salute You!

The Bend Roots Revival is a family-friendly, FREE festival that showcases the diverse musical, artistic, and cultural character of our community. Offering over 100 performances and educational workshops, over three days and nights, it has become the largest “local” festival in Central Oregon. The event attracts over 4000 people each year, and is volunteer-powered. This year the Revival will take place September 28th through the 30th.

Presented FREE for our community to enjoy, the Revival takes place on the lawn below Deschutes Brewery’s production facility, and in adjacent areas near the Les Schwab Amphitheater off of Shevlin-Hixon Road.

100% of the proceeds from Bend Roots help grow the fest, and support art and music education, through the local non-profit, **Rise Up International**. Rise Up is a 501(c)3 charitable arts organization which gives people a voice in their community through interactive art and music events. As a project of Rise Up for the last decade, Bend Roots hosts ongoing workshops & camps, classes in local schools, and collaborative events to raise social awareness through the arts.

Sponsors of the Revival receive promotional benefits including prominent logo placement on our website and in the festival guide, booth & banner space at the event, with brand presence on posters, in social media and other ads. All sponsorships and donations are tax deductible.

Feel free to contact us if you’d like to chat about art, music, and education in Central Oregon, or if you wish to craft a custom contribution package, specific to a way you or your business can help. We welcome ideas which embrace the soul of Bend Roots, and help us grow. Please forward this PDF to any who may wish to contribute!
