

BEND ROOTS REVIVAL NEEDS YOUR SUPPORT

For Those About to Rock, We Salute You!

The Bend Roots Revival is a family-friendly, FREE festival that showcases the diverse musical, artistic, and cultural character of our community. Offering over 100 performances and workshops, over three days and nights, it has become the largest "local" festival in Central Oregon. The event attracts approximately 3500 music lovers each year; it is volunteer-powered and growing fast. Presented FREE for our community to enjoy, the Bend Roots Revival takes place every September in "midtown" Bend between Silver Moon Brewing, the Bunk+Brew and the Deschutes Brewery Public House on Bond Street. This year's festival dates are set for 9/13, 9/14, & 9/15.

All proceeds from the Bend Roots Revival help sustain the festival itself and support art and music education through the Bend Roots Fund—a local non-profit organization which gives people a voice in their community through interactive art and music events. Bend Roots helps organize and staff creative workshops & camps, elective classes in local schools, and collaborative events in the community, which raise social awareness through the arts.

We rescue pianos, get them fixed-up and tuned, and find homes for them in local schools. Bend Roots also offers scholarships to local students who work with private music instructors. Over the last eighteen years the Bend Roots Teaching Collective has helped augment performing arts education programs, benefiting thousands of local students at Westside Village School, Realms middle and high school, Cascades Academy, the Bend International School, and the Tamarack Program.

Revival sponsors receive promotional benefits—which are listed on the attached sponsorship sheet. All sponsorships and donations are tax deductible. To give to the Bend Roots Revival go to <https://bendroots.net/donate-to-bend-roots/> for PayPal and Venmo links or contact our Fundraising Coordinator, Gervaise Flynn directly at bgflynn@roadrunner.com for additional assistance.

We welcome ideas which embrace the spirit of Bend Roots and help grow to our mission. Please forward this information to any and all, who may wish to contribute!

Thank you for your time and consideration.

Sincerely,

Mark Ransom

Festival Founder and Creative Director
