Roots Music Camp Schedule

Children are welcome but must bring an adult.

11-11:50 AM in the PUB

Community Music with Mark Ransom (The Mostest), Matthew Hyman (Oregon Fryer) and Travis Ehrenstrom (TEB). Bring your guitar, ukulele, dobro, banjo, and bass to this session, be mentored by these local teaching-artists, share musical perspectives, and jam along! We will have 10 ukuleles to share.

Noon-12:50 PM in the PUB

Community Singing Workshop with Ian Carrick (Ian and the Oopsies).

Did you know: When we sing together the same neurotransmitter is released into the body as when we hug. When we sing together we often experience a sense of wellbeing and comfort. Did you also know: *Everyone* can sing. No experience necessary. Sing with us. Just do it.

1-1:50 PM in the WEBFOOT GARAGE

Hand Drumming and Hand Percussion with Derrick Strang (Gbots & the Journeymen).

Learn some rhythms from around the world and join in the jam! Some instruments will be provided and you are welcome to bring your own. No *drum sets* this session but check the schedule (just below) for Lindsey and Jeff's workshop, "Rockin' the kit."

2-2:50 PM OUTSIDE

"Rockin' The Kit" with Lindsey Elias (Thunderpussy) and Jeff Ingrahm (Kris Kristofferson).

These two local masters will be sharing their wisdom, techniques, and philosophies about being the drummer of the band and staying in love with the music—even when the road is hard.

2-2:50 PM in the PUB

String Theories and Methods with Scott Foxx on fiddle, Kat Hilst [cello], and Leah Beshore [violin]. Ever wonder what the difference is between a violin and a fiddle? How about a viola? This would be the place to ask your questions. For those further along on their instruments this is also an excellent opportunity to learn hands-on from three masters. Bring your instrument. Beginner to advanced. All are welcome.

3-3:50 PM OUTSIDE

Piano, Keyboards, & Organ with Patrick Ondrozeck and Andy Armer.

Learn from these two local masters, tricks of the trade, techniques in performance and composing, thoughts on working in the studio, developing vocations in the field of music instruction, and playing in bands as professional musicians.

3-3:50 PM in the PUB

Guitar Session: Finger Style, Flat Pickin' & Slide with Scotty Foxx. All ability levels. Bring your axe.

4-4:50 PM OUTSIDE
